PATIENT CONSENT FOR USE OF DATA

Canabo Medical Corporation (“Canabo”) engages in scientific and medical research on the use of marijuana for medical purposes. Canabo owns 100% of Cannabinoid Medical Clinic (“CMC”), a company engaged in delivering clinical care to specified populations on a referral-only basis. Canabo does not provide any clinical or medical care. CMC will disclose its patients’ Survey Responses only for Canabo’s research on the use of medical marijuana.

Your consent requested in this form is completely voluntary and your decision to provide or withhold your consent will not affect any treatment/care that you receive at CMC. Read this form in its entirety prior to providing any consent. You are encouraged to consider and ask any questions that you may have in respect of this form prior to providing your consent.

1) Proposed Disclosure and Use of Survey Responses. During your attendance at Canabo, you will be asked to complete surveys such as, but not limited to: Medical Cannabis Initial Assessment, Demographics, CMC Follow-Up Questionnaire, Brief Pain Inventory, CAGE -AID Tool, GAD-7 Screening and/or Depression Self-Assessment (PHQ-9), Patient Satisfaction and Patient Assistance survey (the “Survey”). The purpose of the Survey is to obtain information from you, as a user of medical marijuana, on your medical history, diagnosis and use of medical marijuana (“Survey”).

   a. Any consent you provide under this form does not permit Canabo, Subscribers, CMC from making your Identifiable Information public (in research publications or otherwise) or using it for any purpose other than the purpose(s) for which you have expressly consented to.

Cannabinoid Medical Clinic is seeking your consent to:

   • disclose your responses only to the Survey via an aggregated report (“Survey Responses”) to marijuana producers who hold a license from Health Canada and other subscribers of medical data (collectively, “Subscribers”) for their research on the use of medical marijuana;

Prior to releasing the Survey Responses to Subscribers, Canabo/CMC will undertake to remove information that does or could reasonably identify you (“Identifiable Information”). Canabo will collect, use and disclose your information in accordance with PIPEDA.

The collection, use and disclosure of information from the Survey Responses and Questionnaires will be used to contribute to general knowledge of medical marijuana (e.g. efficacy, dosage).

Please note that you are not waiving your rights under applicable privacy legislation by providing your consent and may withdraw any consent provided on written notice to Canabo as follows: PO Box 34021, Scotia Square, Halifax, NS, B3J 3S1. Please note that withdrawing your consent will not impact any personal information that has already been collected, used or disclosed in accordance with your original consent.

By signing below, I represent that any consent provided in this form has been freely given, as of _____________________.

Name (printed): _____________________________  Signature: ___________________________

By checking this box, I opt out of the consent for use of data for the purposes of Medical Marijuana Research: ☐

1. Via a consent provided by CMC to the patient.
2. Pursuant to the Access to Cannabis for Medical Purposes Regulations (or ACMPR)
3. As defined in the Personal Information Protection and Electronic Documents Act (PIPEDA), the federal law that governs the collection, use and disclosure of personal information in the course of commercial activities.
